Optional Practical Training (OPT) Tutorial

How to prepare your application materials for submission to the U.S. Citizenship and Immigration Service (USCIS).

University of Virginia ISO issp.virginia.edu
What is OPT?

Optional Practical Training is an F-1 student employment benefit.

- Allows for off campus work authorization in a student’s major field of study.

- Students must be in full-time F-1 status for at least one academic year*

* Some students who change visa status to F-1 and who have been continuously enrolled in a full-time degree program for at least 1 academic year may qualify for OPT prior to 1 year in F-1 status.
Are you eligible for OPT?

Pre-Completion OPT
For most students, Curricular Practical Training (CPT) is a better option. It allows for off-campus work authorization in your field of study without using any of the 12 months of OPT time. See our web site for a detailed description.

You do NOT need to have a job offer to apply for OPT. The authorization is based on your program completion, not a specific employer.

Post-Completion OPT

Have you been continuously in a valid student status for one academic year?
At UVa one academic year means enrollment for consecutive:
• Fall – Spring semesters
• Spring – Fall semesters

Will you be completing your program of study in the next 90 days?
The application for OPT cannot be submitted more than 90 days before your program completion date.
Are you eligible for OPT?

CPT usage

• If you have used 1 year or more of full-time Curricular Practical Training (CPT), during your current degree level, then you do not qualify for OPT.

• Part-time CPT should not count towards OPT disqualification. We have seen cases where CPT has been deducted from OPT eligibility.

• Note that heavy CPT usage either part-time or full-time can cause your OPT application to be subject to additional scrutiny. Be prepared to provide evidence of all prior CPT I-20s, as well as the academic work related to your CPT.
Types of Qualifying Employment

During your 12 month OPT period, OPT employment must be a minimum of 20 hours per week in a job that is directly related to your degree program. The burden of proof is on the student to demonstrate the relationship. The types of employment allowed during the initial 12-month period of OPT include:

- Paid employment
- Multiple employers
- Work for hire (commonly referred to as 1099 employment)
- Self-employed business owner
- Employment through an agency
- Unpaid / Volunteer employment
Application Process Overview

1. Request an OPT I-20 by following the OPT instructions on the ISO website.

2. Prepare and mail your application materials

Allow approximately 1 week to gather and organize the required documents. After USCIS has received your application, allow approximately 90 days for processing. Average processing is 90-150 days, but processing can take longer in some cases.

Step 1: Request your OPT I-20

Complete the OPT application package, consisting of the OPT Advisor Recommendation; I-20 Request Form; and the I-765. Present in person to ISO only during advising hours: 9-12 & 1-4 Monday-Thursday.

- Confirm your expected program completion date.
- Get the required signature from your academic advisor.
- Choose your OPT start date.
Choose your OPT start & end date

- Your OPT start date is the date that your 12 months of work authorization begins.
- Your OPT start date must be within the 60-day grace period after the program completion date.
- The requested start & end dates will be noted on page 2 of the new OPT I-20.
- The end date will usually be 1 year from your start date (i.e. a July 2 start date will have a July 1 end date.)

**NOTE:**
Once USCIS receives the OPT application, it is not possible to change the requested start and end dates.
Obtain Academic Recommendation and signature

Undergraduates:

• Obtain the signature from a College Advisor or Department Advisor

• Expected completion/graduation = The last day of the semester in which program requirements are completed.

Graduates:

• Obtain the signature from a Faculty member in your department

• Expected completion = The last day of the semester in which program requirements are completed, OR The date the thesis or dissertation is filed with the Graduate Division

Speak with an ISO advisor if you have a job offer beginning before the last day of the semester. Graduate students who only have a dissertation/thesis remaining may be eligible to begin their post-completion OPT before filing

Step 1: Request your OPT I-20
Check your OPT I-20 for accuracy

Your Case

Case Status Updates
BIO strongly recommends that you sign up for an account at [https://www.uscis.gov](https://www.uscis.gov). This can allow you to receive automatic updates and monitor your case. Click “Check Your Case Status” and then select “Sign Up”.

General Case Tracking:
If you don’t sign up for an account, you can still track your case using the “Check Your Case Status” Tool

Address Changes:
If your address changes, you can update it online through the “Change of Address” tool. Keep in mind that address changes can take 10 business days to process, and could jeopardize your OPT EAD delivery. We recommend keeping the same address for your entire OPT processing, if possible.

Case Inquiries:
You can submit inquiries about your case using the Case Inquiry tool, if you don’t receive your receipt or other notifications, or if your EAD has been pending for more than 75 days.
Application Problems- RFE or Rejection/Denial

**RFE**- If there is a problem with your application, the USCIS may send you a notice by mail called a “Request for Evidence (RFE).” An RFE does not mean that your application has been rejected. It simply means that you need to send in additional documents before your EAD can be issued.

- Getting an RFE will delay the processing of your application

**Rejection/Denial**- In some cases, if too many items are missing from your application, the USCIS will return the entire application to you. If this happens, you must make the corrections and send the application before the end date of your 60-day grace period.

Contact ISO IMMEDIATELY if you receive an RFE, rejection, or denial.

To avoid delays, review your application materials for completeness and sign all the forms before mailing them to the USCIS.
The Employment Authorization Document (EAD)

- Review card to make sure the information is accurate. If not, contact an ISO advisor.

- Present your EAD to employers as proof of your legal work authorization in the US.

- The EAD is a required document for entry to the US during OPT.
Your Responsibilities during OPT

1. Reporting Requirements
2. Employment Requirements
3. Travel Documents for Re-entry
4. Applying for an F-1 Visa on OPT
Reporting Requirements

SEVP Portal

- The Student Exchange Visitor Program (SEVP) has its own “SEVP Portal” for students on OPT/STEM. On Day 1 of your Approved OPT, you will receive an email from SEVP with instructions on how to create an account.

- Be aware of scams- SEVP will NEVER ask you for a payment to register for the optional SEVP Portal.

You are required to report any change in address or employment within 10 days of the change.
2. Employment Requirements

- You must work a minimum of **20 hours per week** in a position related to your field of study.

- You cannot exceed more than **90 days of unemployment** while on OPT. Days of unemployment prior to your EAD start date do not count towards the 90 days. It is your responsibility to keep records of your employment and any periods of unemployment.
3. Travel Documents for Re-entry

Your admission to the US is always at the discretion of the Customs and Border Protection Officers. To avoid problems, you must have the required documents outlined above.
Important Information on Travel

• Avoid long absences from the US during the OPT period. Time spent outside of the US while unemployed by a US employer counts toward your 90 days of unemployment.
• Attempting to re-enter the U.S. close to the expiration date of your OPT can be risky.
• You must not enter the U.S. in a status other than F-1. This may result in the loss of your OPT eligibility.

Travel after Program Completion, But Before OPT Card is received

• There is a higher risk associated with travel and return while your OPT is pending after the program completion date. If there are any problems with your application, you may not be able to respond to USCIS in a timely manner, which could delay processing of your EAD.
• If your OPT application is denied while outside the US, you will not be able to re-enter the US in F-1 status and will not be able to reapply.
4. Applying for an F-1 Visa on OPT

If you are traveling abroad and your F-1 visa has expired, you must obtain a new F-1 visa before returning to the U.S. When going to your visa interview, bring the documents below.

1. Valid passport
2. Valid I-20 with travel endorsement from a UVA International Office advisor within the past 6 months from date of return to U.S.
3. Unexpired EAD Card
4. Job offer letter or proof of current employment directly related to your field of study
5. Evidence of sufficient funds (e.g. a bank statement, a letter from a sponsor or a job offer letter)

Check the U.S. Department of State web site for more information about getting a visa and specific requirements at the local embassy or consulate at www.travel.state.gov
Completing OPT & Grace Period

- You have a 60 day grace period following the end of the OPT EAD
- Failure to exit, continue your F-1 status, or timely file an Extension or USCIS Change of status will result in accrual of days of unlawful presence
- If you intend to apply for an **OPT STEM Extension**, you must do so before the expiration of your 12 month OPT. Refer to ISO website for the procedure and forms.
- The only additional extension of OPT available is the **OPT Cap Gap Extension**, for students who have an accepted cap-subject H1-B application
- If you receive an Extension of your OPT, the grace period will begin after the end of the Extension period.

If you do not extend your OPT, and your EAD expires, you have the following options before the end of the 60 days grace period:

1. Exit the US within 60 days
2. **Continue your F-1 Status & Studies**: Transfer your I-20 to continue studies at another school OR request a Change of Educational Level to begin new studies at UVa
3. Work with immigration legal counsel regarding a Change of Status application to a new visa category. **You will need to check with your legal counsel regarding your allowed period of stay or required exit date if you have a pending change of status when your grace period ends.**
